***We will do our best to make sure that your items are not damaged before, during or after the show, however, by agreeing to participate in this event, we CANNOT be held accountable for any damages and normal wear and tear that may occur due to your items being used in the show. Also, the stylists & dressers have the right to showcase your items as they see fit by mix and matching with appropriate accessories.***

**Fashion Show:** We can take up to 5-6 outfits/total looks (i.e., a total look can consist of 2-4 garments, an amount that makes a complete look) per participant. We prefer the following sizes: womens sizes 6 or 8, men's medium (chest 38), children's size 5. If we receive other sizes, we will do our best to find models to fit them, but to be sure, please send items promptly.

**Participation costs:** \$350 for EXHIBITORS who are participating with a booth at the Eco Show (this covers the cost of models, hair & make-up and other incidentals). \*Due to overwhelming demand from non-exhibitors, we must ask those who are not participating to submit \$600 to cover costs of models, hair, make-up and also includes submission in the fashion show event program book as space is first reserved for those who are exhibitors. **We ask that all participants pick up their items after the fashion show is over.** (Please allow our stylist at least 15 minutes after the show ends to gather your items so nothing gets accidentally misplaced). **Otherwise, all items that need to be returned back by mail must include an additional \$30 to cover UPS/USPS costs** (or if you have a UPS or FEDEX account, please provide that so we may be able to return your items. **Please note: We are NOT responsible for items not picked up after the show or if no arrangements have been made to ship the items back to you.**
